Staff Categories, Salary Scales & Salary Bands

Central Bank remuneration policy is informed by general Public Sector pay policy. The Central Bank Commission is responsible for setting the terms and conditions of employment for employees of the Central Bank.

The Central Bank offers good base pay plus a comprehensive range of benefits. Further details are set out in our [Careers Page](#).

Salaries in the Bank are attached to salary scales. Approximately 90% of staff are paid with reference to the Professional and Administrative salary scales, which are set out below. The remaining staff are paid by reference to other technical salary scales. These include staff from the Engineering, Catering, Cleaning, Print and Mint teams.

The Bank Officer and Bank Executive salary scales reflect our entry-level positions, including our graduate salary level. The Bank Professional 3/2/1 salary scales represent professional, supervisory and middle management levels and finally the Head of Function, Head of Division and Director salary scales represent the senior management levels.

- Under the Public Service Stability Agreement 2018-2020 – the ASC is a permanent additional pension contribution effective from January 2019. This new pension contribution will be set a lower rate (reduction of approx. 3.5% for new recruits) than the PRD and was further reduced in January 2020. Click [here](#) for further details.

- The FEMPI Act 2010 provided for a reduction in the levels of public service pensions;
- The FEMPI Act 2013 provided for further public sector pay cuts for staff earning €65,000 and above and increment/pay freezes for staff depending on their level of salary;
- The FEMPI Act 2015 provides for some restoration of public sector pay cuts.
