Two submissions from Ann Marron

1. The structure and the arrangements of the terms of service of Committee members should be overhauled at branch level. The length of time any member should be permitted to serve as a Committee member should be no longer than 8 years. At the end of the 8 year term that person shouldn't be allowed to go forward for re-election for 4 years.

2. Rule 75 of standard rules to be amended to read 'that the Board of Directors in managing funds of branches be answerable to the general body of branch members as to how the funds are spent.

Thank you,
Ann Marron.
