Reading Notes

If your institution holds more than one authorisation, the Request Changes available to you will be a combination of all those applicable to your authorisations, with some exceptions. If you have any questions on the Request Changes, please [contact us](#).

Three additional request changes are now available: Unlock Return, Remove Return Instance and Add Return Type. The 'Request Change' function for these is based on the Return Type. They can vary and are designated by sector – therefore they are available to all industries when applicable to the relevant return type.
