Conclusion of Consultation on Prohibition Notices under the Fitness and Probity Regime (CP-166) and Publication of Supplemental Guidance

Dear Sir or Madam

I refer to my [letter dated 28 January 2026](#) in which I notified your organisation that we were consulting with our stakeholders in relation to draft Supplemental Guidance on Prohibition Notices under our Fitness and Probity Regime. The consultation documents (CP-166) are available on our [consultation webpage](#).

I am now writing to notify you that we have concluded our consultation process and that, following careful consideration of the feedback received from our stakeholders, we have revised and published our final Supplemental Guidance on Prohibition Notices. We have also published an accompanying Feedback Statement summarising the feedback we received and providing our responses to it. The Supplemental Guidance is available on [our fitness and probity enforcement webpage](#). Our Feedback Statement is available on our consultation webpage (link above).

The Supplemental Guidance applies from 30 July 2026. It should be read together with our existing guidance on [Fitness and Probity Investigations, Suspensions and Prohibitions \(2023\)](#).

We would appreciate you bringing this letter to the attention of your members and affiliates, where relevant.

Yours sincerely

.....
