- (a) the assets and liabilities, financial position, profit and losses, and prospects of the issuer and of any guarantor, and
- (b) the rights attaching to such securities.

(2) The information contained in the prospectus shall be consistent and presented in an easily analysable and comprehensible form.

(3) The prospectus shall contain information concerning the issuer and the securities to be offered to the public or to be admitted to trading.

(4) In the circumstances in which paragraph 4(b) of Schedule 2 to these Regulations applies, the prospectus shall also contain the information referred to in that paragraph.

Minimum Information

20. Without prejudice to the generality of Regulation 19 and subject to Regulation 26, the prospectus shall contain the minimum information required under the Prospectus Regulation.

Summary

21. (1) Subject to paragraph (4), a prospectus shall include a summary.

(2) The summary shall, in a brief manner and in non-technical language, convey the essential characteristics and risks associated with the issuer, any guarantor and the securities, in the language in which the prospectus was originally drawn up.

(3) The summary shall also contain a warning that -

(a) it should be read as an introduction to the prospectus,

(b) any decision to invest in the securities should be based on consideration of the prospectus as a whole by the investor,

- (c) where a claim relating to the information contained in a prospectus is brought before a court, the plaintiff investor might, under the national legislation of the Member States, have to bear the costs of translating the prospectus before the legal proceedings are initiated, and
- (d) civil liability attaches to those persons responsible under law for the contents of the prospectus but only if the summary is misleading, inaccurate or inconsistent when read together with the other parts of the prospectus.

(4) Where the prospectus relates to the admission to trading of non-equity securities having a denomination of at least €50,000, this Regulation shall not apply.

Single or Separate Documents

22. (1) Subject to Regulation 23, a prospectus may be drawn up as a single document or separate documents.

(2) A prospectus composed of separate documents shall divide the required information into -

- (a) a registration document containing the required information relating to the issuer,

- (b) a securities note containing the required information concerning the securities offered to the public or to be admitted to trading, and
- (c) a summary.

Base Prospectus

23. (1) In the following cases, at the election of a relevant person, a prospectus may consist of a base prospectus -

- (a) in a case where the securities are non-equity securities, including warrants in any form, issued under an offering programme,
- (b) in a case where the securities are non-equity securities issued in a continuous or repeated manner by credit institutions -
 - (i) if the sums deriving from the issue of those securities, under national legislation, are placed in assets which provide sufficient coverage for the liability deriving from securities until their maturity date, and
 - (ii) if, in the event of the insolvency of the related credit institution, the said sums are intended, as a priority, to repay the capital and interest falling due, without prejudice to the provisions of Directive 2001/24/EC of the European Parliament and of the Council of 4 April 2001 on the reorganisation and winding up of credit institutions.

(2) The information given in the base prospectus shall be supplemented, if necessary, in accordance with Regulation 51, with updated information on the issuer and on the securities to be offered to the public or to be admitted to trading.

(3) If the final terms of the offer are not included in either the base prospectus or a supplement, the final terms shall be filed with the Bank in accordance with the prospectus rules and published in accordance with Part 8 when each public offer is made as soon as practicable and, if possible, in advance of the beginning of the offer.

25. The Bank may authorise the omission from a prospectus of information required under these Regulations or any other provision of Irish prospectus law, if it considers that -

- (a) disclosure of such information would be contrary to the public interest, or
- (b) disclosure of such information would be seriously detrimental to the issuer, provided that the omission would not be likely to mislead the public with regard to facts and circumstances essential for an informed assessment of the issuer, offeror or guarantor, if any, and of the rights attached to the securities to which the prospectus relates, or
- (c) such information is of minor importance only for a specific offer or admission to trading and is not such as will influence the assessment of the financial position and prospects of the issuer, offeror or guarantor, if any.

26. Without prejudice to the requirement to give adequate information to investors, where, in exceptional cases, certain information required by any implementing measures to be

included in a prospectus would be inappropriate to the issuer's sphere of activity or to the legal form of the issuer or to the securities to which the prospectus relates, the prospectus may omit that required information but, unless there is no such equivalent information, shall contain information equivalent to that required information.

Incorporation by Reference

27. (3) Where a direction has been given by the Bank under this Regulation the provisions of Regulation 88(4) to (13) shall, with any necessary modifications, apply to the direction.

(4) A direction under this Regulation may be given to any relevant person referred to in Regulation 73.

PART 13

COMPETENT AUTHORITY

Designation of Competent Authority

78. (1) The Bank is designated as the central competent administrative authority for the purposes of Article 21(1) of the Directive and shall be responsible for carrying out the obligations provided for in the Directive and for ensuring that the provisions adopted pursuant to the Directive are applied.

(2) The Bank shall be independent in the performance of its functions under these Regulations.

Delegation of functions

79. (1) The Bank may delegate to an approved stock exchange, subject to such conditions as the Bank specifies, any of the functions that it is obliged or authorised to perform under Irish prospectus law or under the Directive other than the following functions -

- (a) the approval of prospectuses and supplements pursuant to Part 7 (but not any act involving the scrutiny of prospectuses or supplements),
- (b) the issuing of a certificate referred to in Regulation 57,
- (c) functions under Regulations 40, 41, 51(2), 56(1), 59(2), 79, 85, 88, 89 and 90 or this Regulation,

(3) Any delegation of functions shall be in writing and specify the functions to be performed and the conditions subject to which they are to be performed.

(4) The conditions referred to in paragraph (3) shall include a provision obliging the stock exchange to whom a function or functions concerned are delegated to act and be organised in such a manner as to avoid conflicts of interest and so that information obtained from performing the function is not used unfairly or to prevent competition.

(5) A delegation under this Regulation shall not prevent the performance by the Bank of the function delegated.

(6) Notwithstanding any delegation under this Regulation, the final responsibility for supervising compliance with the Directive and the applicable provisions of EU prospectus law and for approving prospectuses under these Regulations shall be with the Bank.

(7) The Bank shall notify the Minister of any such delegation of a function promptly and of the conditions subject to which it has been delegated.

(8) Following such notification, the Minister shall inform the Commission and the competent authorities of other Member States designated pursuant to the Directive of any arrangements entered into with regard to the functions under this Regulation, including the conditions subject to which such functions are delegated.

(9) Where a function is delegated pursuant to this Regulation, then nothing in the Stock Exchange Act 1995 shall prevent there being specified as a condition subject to which the function is to be performed a condition requiring the rules of the stock exchange concerned or an amendment thereof to be approved by the Bank in so far as they are relevant to the function delegated.

88. (1) The Bank may give one or more of the directions specified in paragraph (2) if the Bank considers it necessary to do so in order to -

(5) The Bank may, as respects a direction under this Regulation which, in its opinion has not been complied with or is unlikely to be complied with, (or, in the case of a direction referred to in paragraph (2)(b) or (c), irrespective of whether it is of that opinion) apply to the court in a summary manner for such order as may be appropriate by way of enforcement of the direction and the court may, as it thinks fit, on the hearing of the application, make or refuse to make an order providing for such relief.

Precautionary Measures

89. In circumstances where the State is a Host Member State and where the Bank finds or has grounds for suspecting -

- (a) a relevant person or a financial institution in charge of a public offer has contravened a provision of these Regulations or another provision of EU prospectus law, or
- (b) there has been a failure by the issuer or offeror to comply with an obligation falling on the issuer or offeror by reason of the fact that the securities are admitted to trading,

it shall refer those findings or the fact of those grounds' existence to the competent authority of the Home Member State.

90. (1) If, despite the measures taken by the competent authority of the Home Member State in response to a referral of matters under Regulation 89 by the Bank to it (whether because those measures are inadequate or otherwise) the contravention or failure to comply

referred to in that Regulation still persists, the Bank, after informing the competent authority of the Home Member State, shall take all the appropriate measures within its power under these Regulations in order to protect investors.

(2) The Bank shall inform the Commission of any measures taken by it under paragraph (1) at the earliest opportunity.

Privilege

to control or exercise a significant influence over the management of the regulated financial service provider;

“regulated financial service provider” has the same meaning as it has in section 2(1) of the Central Bank Act 1942 (No. 22 of 1942) as amended by section 2(g) of the Central Bank and Financial Services Authority of Ireland Act 2004 (No. 21 of 2004);

“specified sanctions”, in relation to an adverse assessment, means the sanction or sanctions referred to in *Regulation 93(8)* which may be imposed on the assessee.

(2) The provisions of this Part are made for the purposes of enabling the imposition of administrative sanctions.

Bank may appoint assessor.

93. (1) Where the Bank has reason to suspect that a prescribed contravention is being committed or has been committed, the Bank may appoint an assessor (or, if the Bank thinks fit to do so, more than one assessor) to conduct an assessment as to -

- (a) whether or not the assessee is committing or has committed the contravention, and

- (b) if the assessor finds that the assessee is committing or has committed the contravention, the sanction or sanctions, if any, which the assessor considers are appropriate to be imposed on the assessee in respect of the contravention.

(2) The Bank may appoint an assessor who is not an officer, employee or official of the Bank and any such assessor so appointed is an agent of the Bank for the purpose of performing the functions of an assessor under this Part.

(3) The Bank shall provide the assessor with such administrative services (including technical and legal advice) as the Bank considers necessary to enable the assessor to perform the assessor's functions.

(4) The assessor shall, as soon as is practicable after the assessor's appointment as an assessor, give notice of the appointment to the assessee.

(5) The notice under *paragraph (4)* given to the assessee by the assessor shall contain -

- (a) a statement that the assessor is appointed by the Bank under this Regulation,
- (b) a statement in summary form of the grounds for conducting the assessment,

- (c) a statement that, within a reasonable time specified by the assessor in the notice, the assessee may -
 - (i) make submissions in writing to the assessor, and
 - (ii) request the assessor to be permitted to make oral submissions about the matters to which the notice relates, and
 - (d) a statement that the assessor shall conduct the assessment even if no submissions referred to in *subparagraph (c)* are made.
- (6) The assessor shall -
- (a) consider any submissions made by the assessee, and
 - (b) conduct such investigations relating to the assessment as the assessor considers appropriate before issuing the assessment.
- (7) The assessor shall issue the assessment to the Bank when the assessment is made.
- (8) Where the assessor decides that a prescribed contravention is being committed or has been committed, the assessor shall ensure that the assessment includes -

- (a) a statement of the grounds upon which the assessor made the assessment that the assessee is committing or has committed the contravention,
 - (b) a statement in summary form of the evidence upon which the assessment is based, and
 - (c) a statement of the sanction or sanctions, if any, which the assessor considers are appropriate to be imposed on the assessee in respect of the contravention.
- (9) The appointment of an assessor may be for a specified or unspecified period.

(10) Subject to *Regulation 100(2)*, the assessment shall constitute the decision of the Bank, and references in this Part to an adverse assessment shall be construed accordingly.

Revocation of appointment of assessor

94. (1) Where the Bank is satisfied that the assessor has contravened *paragraph (2)* or is incapacitated, the Bank may revoke the appointment of the assessor at any time.

(2) The assessor (including a person proposed to be appointed as an assessor) shall -

- (a) disclose to the Bank any material interest that the assessor may have in any matter that may arise during the assessment,
- (b) disclose to the Bank any actual or potential conflict of interest that the assessor may have in conducting an assessment,
- (c) not use any inside information (within the meaning of the Market Abuse (Directive 2003/6/EC) Regulations 2005) obtained during an assessment for any purpose other than the performance of the assessor's functions under this Part,
- (d) not engage in misconduct during the assessment,
- (e) perform the assessor's functions in accordance with the provisions of this Part, and
- (f) issue an assessment that is not contrary to law.

Power to require witnesses to appear and give evidence

95. (1) The assessor may by notice given in or outside the State to a person require the person to do one or more of the following -

- (a) appear before the assessor to give evidence (including give evidence on oath),

- (b) produce documents specified in the notice which are in the person's custody or control,
- (c) for the purposes of *subparagraph (a)* or *(b)*, attend before the assessor from day to day unless excused from attendance or released from further attendance by the assessor.

(2) The assessor may administer oaths for the purposes of the evidence referred to in *paragraph (1)(a)*.

(3) A witness at a hearing before the assessor has the same liabilities, privileges and immunities as a witness before the Court.

(4) Where a person ("person concerned") -

- (a) fails to comply with a notice under *paragraph (1)*,
- (b) threatens or insults the assessor or any witness or person required to attend before the assessor,
- (c) interrupts the proceedings of, or does not behave in an appropriate manner before, the assessor,
- (d) obstructs or attempts to obstruct the assessor,

- (e) discloses, or authorises the disclosure of, evidence given before the assessor or any of the contents of a document produced to the assessor that the assessor has instructed not to be published, or
- (f) does anything else that, if the assessor were a court of law having power to commit for contempt, would be contempt for that court,

then -

- (i) the assessor may apply to the Court for an order requiring the person concerned to do one or both of the following -
 - (I) to comply with the notice under *paragraph (1)*,
 - (II) to discontinue or not repeat the behaviour falling within any of the provisions of *subparagraphs (b) to (f)*, or behaviour of any similar kind, and
- (ii) the Court, if satisfied that there is no reasonable excuse for the failure to comply with the notice under *paragraph (1)* or for the behaviour concerned, as the case may be, grant the order and such other orders as it considers appropriate to ensure that the person concerned cooperates with the assessor.

Referral to Court on question of law

96. (1) The Bank or the assessor may (including at the request of the assessee) refer a question of law arising in the assessment to the Court for determination by the Court.

(2) Where a question of law is referred under *paragraph (1)* -

(a) the assessor shall send to the Court all documents before him or her that are relevant to the matter in question, and

(b) at the end of the proceedings in the Court in relation to the reference, the Court shall cause the documents to be returned to the assessor.

Assessee to be issued copy of any adverse assessment, etc.

97. (1) Where the assessment of the assessor is that the assessee is committing or has committed a prescribed contravention, the Bank shall -

(a) issue the assessee with a copy of the adverse assessment (or, as the Bank thinks fit, so much of the adverse assessment as constitutes the statements referred to in *Regulation 93(8)*), and

(b) advise the assessee that -

- (i) the assessee may appeal against the adverse assessment to the Court under *Regulation 98*, and
- (ii) the Bank may apply to the Court under *Regulation 102* for an order confirming the adverse assessment (including the specified sanctions).

(2) Where the assessment of the assessor is that the assessee is neither committing nor has committed a prescribed contravention, the Bank shall issue the assessee with a statement to that effect.

Right of appeal against adverse assessment (including specified sanctions)

98. (1) The assessee may appeal to the Court against the adverse assessment (including the specified sanctions) not later than 28 days after the Bank has complied with Regulation 97(1) in relation to the assessee or within such further period as the Court allows.

(2) An appeal under *paragraph (1)* may be heard otherwise than in public.

(3) The Court may, pending the hearing and determination of an appeal under *paragraph (1)*, make such interim or interlocutory orders as the Court considers necessary in the circumstances.

(4) The Court shall determine an appeal under *paragraph (1)* by making -

- (a) an order confirming, varying or setting aside the adverse assessment (including the specified sanctions), whether in whole or in part, or
- (b) an order remitting the case to be decided again by the Bank in accordance with the directions of the Court.

(5) The determination of the Court on the hearing of an appeal under *paragraph (1)* shall be final, except that a party to the appeal may apply to the Supreme Court to review the determination on a question of law.

(6) For the avoidance of doubt, it is declared that no variation of an adverse assessment under paragraph (4)(a) may provide for the imposition of a sanction on the assessee which is not a sanction referred to in paragraphs (a) to (f) of Regulation 99.

Sanctions that may be imposed by Bank

99. In the case of an adverse assessment, the Bank may impose on the assessee such of the following sanctions as are the specified sanctions -

- (a) a private caution or reprimand,
- (b) a public caution or reprimand,
- (c) subject to *Regulation 104(2)*, a direction to pay to the Bank a monetary penalty (but not exceeding €2,500,000 in any case),

- (d) a direction disqualifying the assessee from being concerned in the management of, or having a qualifying holding in, any regulated financial service provider for such time as is specified in the order,
- (e) if the assessee is continuing to commit a prescribed contravention, a direction ordering the assessee to cease committing the prescribed contravention,
- (f) a direction to pay to the Bank all or a specified part of the costs incurred by the Bank in investigating the matter to which the assessment relates and in holding the assessment (including any costs incurred by authorised officers).

Power to correct assessments

100. (1) Where the assessor or the Bank is satisfied that there is an obvious error in the text of an assessment, the assessor or the Bank, as the case may be, may alter the text of the assessment to remove the error.

(2) Where the text of an assessment is altered under *paragraph (1)*, the text as so altered shall be taken to be the decision of the Bank under *Regulation 93(10)*.

(3) In *paragraph (1)*, “obvious error”, in relation to the text of an assessment, includes -

- (a) a clerical or typographical error,
- (b) an error arising from an accidental slip or omission, or
- (c) a defect of form.

When specified sanctions take effect

101. (1) Where -

- (a) no appeal under *Regulation 98* against the adverse assessment is lodged with the Court within the period for lodging the appeal, or
- (b) an appeal under *Regulation 98* against the adverse assessment which has been lodged with the Court within the period for lodging the appeal is withdrawn or abandoned,

then the specified sanctions, as confirmed or varied in the order, if any, obtained under *Regulation 102(2)(a)*, shall take effect on the date of that order or such other date as the Court may specify in that order.

(2) Where an appeal under *Regulation 98* against the adverse assessment is lodged with the Court within the period for lodging the appeal, then the specified sanctions, as

confirmed or varied in the order, if any, obtained under *Regulation 98(4)(a)*, shall take effect on the date of that order or such other date as the Court may specify in that order.

Enforcement of adverse assessment (including specified sanctions)

102. (1) Where -

- (a) no appeal under *Regulation 98* against the adverse assessment is lodged with the Court within the period for lodging the appeal, or
- (b) an appeal under *Regulation 98* against the adverse assessment which has been lodged with the Court within the period for lodging the appeal is withdrawn or abandoned,

then the Bank may apply to the Court for an order confirming the adverse assessment (including the specified sanctions).

(2) The Court shall determine an application under *paragraph (1)* by making -

- (a) an order confirming, varying or setting aside the adverse assessment (including the specified sanctions), whether in whole or in part, or
- (b) an order remitting the case to be decided again by the Bank in accordance with the directions of the Court.

- (3) The Court shall not hear an application under *paragraph (1)* unless -
- (a) the assessee appears at the hearing as respondent to the application, or
 - (b) if the assessee does not so appear, the Court is satisfied that a copy of the application has been served on the assessee.
- (4) An application under *paragraph (1)* may be heard otherwise than in public.
- (5) The Court may, on an application under *paragraph (1)*, make such interim or interlocutory orders as the Court considers necessary in the circumstances.
- (6) The determination of the Court on the hearing of an application under *paragraph (1)* shall be final, except that the Bank or the respondent, if any, may apply to the Supreme Court to review the determination on a question of law.
- (7) For the avoidance of doubt, it is hereby declared that no variation of an adverse assessment under *paragraph (2)(a)* may provide for the imposition of a sanction on the assessee which is not a sanction referred to in *paragraphs (a) to (f)* of *Regulation 99*.

Publication of certain specified sanctions

103. The Bank shall publicly disclose the specified sanctions referred to in *paragraphs (c) to (f)* of *Regulation 99*, as confirmed or varied in the order concerned obtained under

Regulation 98(4)(a) or *102(2)(a)*, that are imposed on the assessee unless the Bank considers that the disclosure would -

- (a) seriously jeopardise the financial markets, or
- (b) cause disproportionate damage to the parties involved.

Person not liable to be penalised twice for same contravention

104. (1) Where -

- (a) a sanction referred to in *Regulation 99(c)* is to be imposed on the assessee by virtue of an order obtained under *Regulation 98(4)(a)* or *102(2)(a)*, and
- (b) the acts which constitute the prescribed contravention to which the sanction relates also constitute an offence under a law of the State,

then the assessee is not, in respect of those acts, liable to be prosecuted or punished for that offence under that law.

(2) A sanction referred to in *Regulation 99(c)* in respect of a prescribed contravention shall not be imposed on the assessee where -

- (a) the assessee has been found guilty or not guilty of having committed an offence under a provision of -
 - (i) these Regulations, or
 - (ii) *Part 5* of the Investment Funds, Companies and Miscellaneous Pensions 2005 Act, and

- (b) all or some of the acts constituting that offence also constitute the prescribed contravention.

Person not to be concerned in management of regulated financial service provider while disqualified

105. (1) A regulated financial service provider shall ensure that a person shall not be concerned in the management of, or have a qualifying holding in, the financial service provider while the person is subject to a sanction referred to in *Regulation 99(d)* that is in force.

(2) A regulated financial service provider who contravenes paragraph (1) shall be guilty of an offence.

Power of the Bank to resolve suspected contraventions, etc.

106. (1) Where the Bank has reason to suspect that a person (“relevant party”) is committing or has committed a prescribed contravention, it may enter into an agreement in writing with the relevant party to resolve the matter (including at any time before an assessment, if any, has been issued in respect of the relevant party).

(2) An agreement entered into under *paragraph (1)* -

- (a) is binding on the Bank and the relevant party, and

(b) may include terms under which the relevant party accepts the imposition of sanctions.

(3) An agreement entered into under *paragraph (1)* may be enforced by the Bank or the relevant party in a court of competent jurisdiction.
