

Temporary Prohibition in Short Selling

The Central Bank of Ireland (the “Central Bank”) announces the introduction of a temporary prohibition in short selling in the financial instruments listed below where these instruments are traded on Irish trading venues¹.

This measure will take effect from opening of trading on 17 March 2020 until close of trading on 17 March 2020.

This temporary prohibition is introduced pursuant to Article 23(1) and Article 26(4) of Regulation (EU) No 236/2012 of the European Parliament and of the Council of 14 March 2012 on short selling and certain aspects of credit default swaps (the “Short Selling Regulation”).

This measure is being implemented following decisions made by other competent authorities, the Central Bank being satisfied that this measure is necessary to assist the action of the competent authorities in Belgium, France and Italy under Article 23 of the Short Selling Regulation to which this measure relates.

The prohibition in short selling does not apply to entities making use of the exemption for market making activities provided for in Article 17 of the Short Selling Regulation in these financial instruments.

Dated: 16 March 2020

¹ A trading venue has the meaning given to that term in Article 2 of Regulation 236/2012/EU.
